Frank Family Vineyards

Housed in the historic Larkmead Winery in Napa Valley, their wines are crafted in small quantities and live up to the heritage of the land on which they are produced. The wines are only sold at the winery and at a few select restaurants and retailers. Frank Family's Ed Skupien (VP of California and Asian Sales) will host this very popular dinner again.

Must be 21 or older to attend. Due to the highly specialized menu items, we require a credit card to secure the reservation. Cancellations must be made 48 hours in advance and those not cancelled prior will be charged the full price for the dinner. Any dietary restrictions must be requested at time of reservation.

Rombauer Wine Dinner

The Joy of Wine– Rombauer Vineyards' philosophy of wine and food is that it is considered an essential complement to a meal. The Joy of Wine is a direct connection to The Joy of Cooking, written by Koerner Rombauer's great aunt, renowned author Irma Rombauer. The Rombauer family wines have successfully and consistently been recognized as some of Napa Valley's finest. Rombauer chardonnay is La Provence's top-selling wine, year after year!
